BASKETBALL

HIROSHIMA! We caught our breath and came back to school to split the educational atoms.

FOOTBALL with all of its drama! Our players, brightened by new gear, swept across the fields and finished in a race well run.

THE BASKETBALL COURT! Our veterans deployed to play the game with speed and dispatch.

THE ANNUAL AUCTION! The people gave, then came to bid, and left us rich in dollars and good will.

THE THESPIANS in the fall and in the spring played out the theme so old and yet so new of youth and love deep plotted in the ways of life.

THE WAR FUND AND THE RED CROSS DRIVES! We gave quite mindful of the need that still continues.

SPRING! A quickening tempo. Boys playing baseball; classes giving proms and banquets; band and orchestra playing a concert; seniors planning their Washington trip.

And then — how has it happened — another year has come and gone, and we are watching the graduates in their caps and gowns receiving their diplomas!

STUDENT COUNCIL

FOOTBALL

AURORA High School completed another cycle at its usual fast tempo. Although faced with an almost complete change in personnel, we were soon organized for our year's work.

Lacking a Coach we managed to obtain assistants to carry us through Football and Basketball. By Baseball and Track season we had secured Coach Uphoff, recently of the U. S. Navy. He immediately sponsored projects to raise funds to secure new equipment for next year's teams.

We were happy to renew our Music courses after lapse of several years. The Girls' Chorus worked diligently and appeared publicly for several occasions.

For the first time a chapter of the Girl Reserves was organized. The girls sponsored a Valentine Dance and Mother-Daughter dinner.

The Sophomores outshone their schoolmates in the Amateur Talent Show with their presentation of a meller-drama, "Curses, What a Night!"

REMBRANDT

With spring came the Junior play, the Senior play, Spring Concert, and Junior-Senior Prom. With the end in view we leave the Seniors eagerly looking forward to five days in Washington as the end of their school career, and everyone else hoping he may spend his last school days in the new building.

BRADY LAKE

FACULTY

MARCH OF DIMES

IN KEEPING with the national and community spirit of conserving a lasting peace, our aims, under the leadership of our new principal, Mr. Ted Keller, have been focused on the character development and the building of citizenship towards the "One World" of tomorrow. This policy has been emphasized in conjunction with our regular school curricula.

Our students, learning the importance of education in a democracy, have been guided by our faculty: Ted Keller, principal; Mayme Coffeen, Dominic Amedeo, Marie Adams, Rhea Merrill, Jean Dike, Isabel Gareri, Isabel Chase, Elizabeth Gump, and A. Hoyer Godfrey, Music.

Eighth grade class officers: Robert Rae, president; Jerry Lewis, vice president; Donna Tuckerman, secretary; and Hugh Hazle, treasurer.

By their alertness, faithfulness, and loyalty, our school patrol, under the supervision of Mrs. Coffeen and Hugh Hazle, captain, have maintained a perfect record.

Jim Gray, coach and Bob Miller, captain, led our basketball team through a very successful season.

Although we have been deeply absorbed in matters of the world and education, we have not forgotten the need for fun and relaxation. Regularly scheduled movies, various parties, and hikes have been enjoyed by all.

We are looking forward to our round of spring activities: eighth grade play, musicale, baccalaureate, commencement, and school picnic, which will complete our program for another school year.

Little Women
Officers

B RIMFIELD School has experienced an unusually pleasant and profitable year.

Our faculty included: Mr. Questel, Mesdames Maddox, Statler, Dersom and Kerwin, and Misses Briggs, Carr, Bryner, and Hubbell, with Mr. Streby assisting in Physical Education.

Every student is an active member of Junior Red Cross, completing a large quota of production articles and sending gifts to refugee children. Our curriculum included courses in Red Cross First Aid and Home Nursing.

The "Little Women" assisted in the Community Chest Canvass, conducted the Refugee Clothing Collection, and supervised the polio ad Easter Seal Drive. Their social program has been extensive and enjoyable.

The Girls' Glee Club has made several creditable appearances.

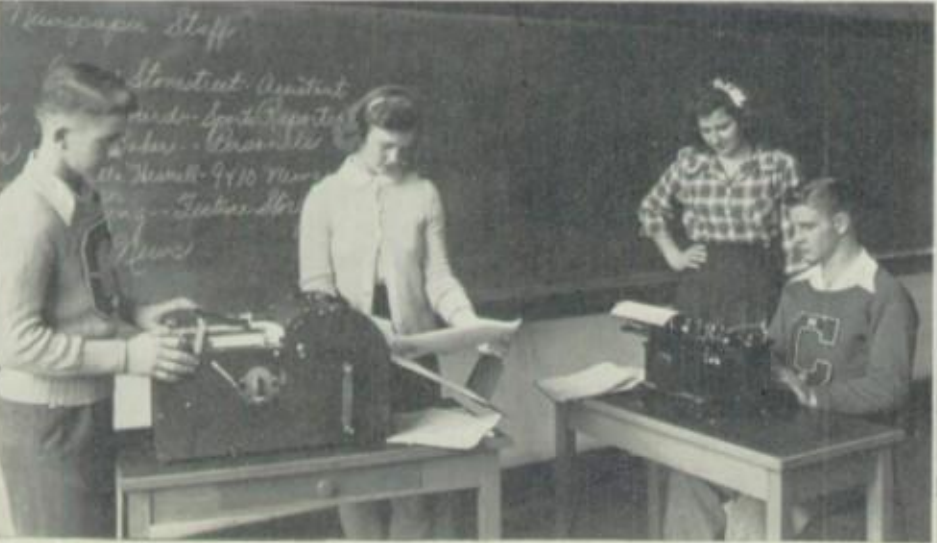

WATT

The boys have participated in basketball and baseball leagues, and all students have enjoyed a greatly augmented sports program.

We are fortunate to have an active and enthusiastic P. T. A. organization led by a competent staff of officers.

Spring activities now fill our thoughts: educational trips, entertainments, parties, picnics, baseball, and finally Baccalaureate and Commencement.

CHARLESTON

FACULTY

BASKETBALL

CHARTING a well planned course, the U. S. S. Charlestown set out September 4, 1945, for a high goal of achievement to be reached by May 22, 1946.

Hill Top Times, is the new name chosen for our school newspaper, an appropriate name for this newsy epistle.

Athletic teams consisted of a six man football and a basketball team. Although we weren't so successful in victories, we hope to improve by next season.

Red Cross Home Nursing was a new course added to the curriculum. Twelve high school girls received awards when they completed the course during the first semester.

Leader of our school this year is Paul F. Pfeiffer, with the other new teacher being Mary Lyons. Other teachers who make up the faculty are: Fanny Esworthy, Alice Critchfield, Margaret Cassidy, Mary Ann Clayton, Evelyn Koch, O. W. Dunbar and Coach Sylak.

Every high school girl has enthusiastically received the Girl Reserve Club, whose advisor is Mary Ann Clayton.

Social events included the all-important Junior-Senior banquet held May 4, at the Robin Hood — four dances sponsored by the Juniors and Seniors — the Junior box social — the annual P. T. A. Christmas party.

"That Crazy Smith Family" — such an eccentric family troupe was introduced to a large audience May 29, in the auditorium when the Juniors and Seniors presented the play, directed by Evelyn Koch.

Organized noon hour program created competition with Dan King's Polecats walking off with the volley ball and the basketball championships. Buddy Hurd took the ping-pong tournament.

Winners of the magazine subscription drive were the Yellow Jackets who stung the Jones D. D. T. Division for a victory, and were banqueted by the losers February 15.

Never let us forget the Senior motto, "Ever Forward."

SEPTEMBER ushered in a year full of activity for Edinburg School. Headed by Mr. A. J. Kauber, a faculty of three returning members and seven newcomers organized an integrated program of curricular and extra curricular activities.

Emphasis placed on increased pupil participation resulted (in addition to others) to several interesting student sponsored assemblies and a well rounded schedule of intramural athletics. The industrial arts curriculum was expanded to include a girls' shop course, while a newly organized Boy Scout troop has occupied the spare time of the junior high boys.

Indicative of the year's outstanding activities is the following brief calendar of events . . . **September** . . . P. T. A. — faculty — board members supper . . . all-school get acquainted party . . . **October** . . . hay rides . . . weiner roasts . . . skating parties . . . junior senior Hallowe'en carnival . . . **November** . . . senior Thanksgiving assembly . . . **December** . . . OUR FIRST term since the War Years found us with an increased student body and faculty.

Our boys, coached by Mr. Biasella, participated in the Kent basketball and baseball leagues.

The operetta, Boy Blue, directed by Mrs. Flint, was successfully presented in April.

A new feature, to which we "point with pride" is our Safety Patrol and Student Court, supervised by Mrs. Peck. In charge of discipline on the busses, school grounds and building during free periods, our students have shown that they are aware of the privileges and duties as citizens of a democracy and of the rewards and penalties which follow as a direct result of their conduct.

BEETHOVEN

We wish especially to commend the officers, Tony Galleno, Carol Miller, Dale His-som, Rocco Pollichenno and all those who served as patrolmen for so willingly relinquishing the major portion of their free time in devotion to the Patrol and Court.

NINETEEN hundred and forty-five to be one of the most important years in history. It saw the end of World War II and was the beginning of another school year. Each letter of "Freedom High School" represents some part of our school life.

F—for the faculty which was enlarged by four new teachers.

R—for Mr. Romito who returned from the army in October to take up his old job of coaching.

E—for the entertainment of the school year through parties, dances, and hay rides.

E—for the exams which add to the excitement of school life.

D—for the debate team which was organized this year under the direction of Miss Chaykowski.

O—for the Journalism Organization, Quill and Scroll, to which the Hi-Times Staff was admitted.

M—for "Man or Mouse" the high school three act play which was presented in April under the direction of Mr. Tarr.

H—for the Hi-Times, the school paper, which is still being sent to the servicemen and women of Freedom.

I—for the intramural tournament in which the girls participated this year.

G—for the good times had at the school activities.

H—for the happiness and fun the Seniors enjoyed on their Senior trip, and also the Juniors and Seniors at their banquet.

S—for the may sports which made up so much of our social life.

C—for Commencement which saw another group of Seniors' leave school.

H—for the honors received by various students in sports and scholarship tests.

O—for the Opera which was again visited this year by Mrs. Terrill.

O—for orange and black, our school colors which represent our school at sport events.

L—for the longing of all Freedom students that those boys who went to the armed services would be home.

GARRETTSVILLE

Freshmen

Sophomores

FACULTY

STUDENT COUNCIL

Juniors

Newspaper Staff

GARRETTSVILLE School opened with the traditional organizations! Student Council, Glee Clubs, Band, Chorus, Athletic Groups, and Girl Reserves.

The Student Council sponsored a profitable school fair in October.

In athletics, if measured by games won or lost, the boys were most successful in basketball than in football. In basketball the G-Men were undefeated in the North League.

Students participated successfully in all the State Scholarship Tests. Mary Ann Chapman won fourteenth place in the State among girls in the Senior Scholarship Test. In the local senior test Victor Vine achieved the highest score in mathematics.

Music students came home with ratings of Superior from Mount Union and Columbus and Excellent from the Kent District Auditions.

The Junior-Senior Prom was held at Newton Falls April 27.

REMBRANDT

Garrettsville joined other schools in the one-act programs presented in April.

The year was completed in May with scholarship tests, participation in the County Music Festival, the senior class play, baseball, track meets, a vocal music program, band concert, baccalaureate and commencement.

A busy year climaxed by a busy "Month of May!"

HAT is the prettiest little town in Ohio? Where is there always something "doing?" You guessed it — Hiram! And things have really been humming this year. Home Economics has been re-established and once more we hear the hum of the lathes in the shop halls.

Under our new coach, Rudolph Kelker, we have had successful sports seasons and an innovation in that we participated in a Junior High tournament.

Mrs. Ector has found enough male voices to give us a good chorus this year and the band is really doing some wonderful work under her direction.

And don't think we aren't progressive — an electric recorder has been added this year to make English classes much more interesting and for our aspiring novelists and the future writers a Creative Writing Class has been set up to cope with all our needs. (That includes poetry, too.)

A newspaper, **The Hiram Panoram** has kept us well informed and made life worth living again. It has been several years since we had a paper and it's good to have it back.

In the field of dramatics there has been an operetta by the grade school. And they are planning another. The Junior class is giving a one act play and the Seniors plan to present a three act play before Easter.

MANTUA Township School opened with a new principal, Mr. R. E. Millhone, with an enrollment of 180. Musical events included a Christmas program and caroling and a most outstanding operetta, "Shooting Stars," under the direction of Miss Wood. Movies as a part of our visual education were shown every week.

Athletics included a six-man football team, basketball and track. We were fairly successful in basketball, winning four games out of nine, but we were especially proud of our boys' playing in the Tournament. They won the first two of their four games. Track was revived this year under the coaching of Mr. Millhone.

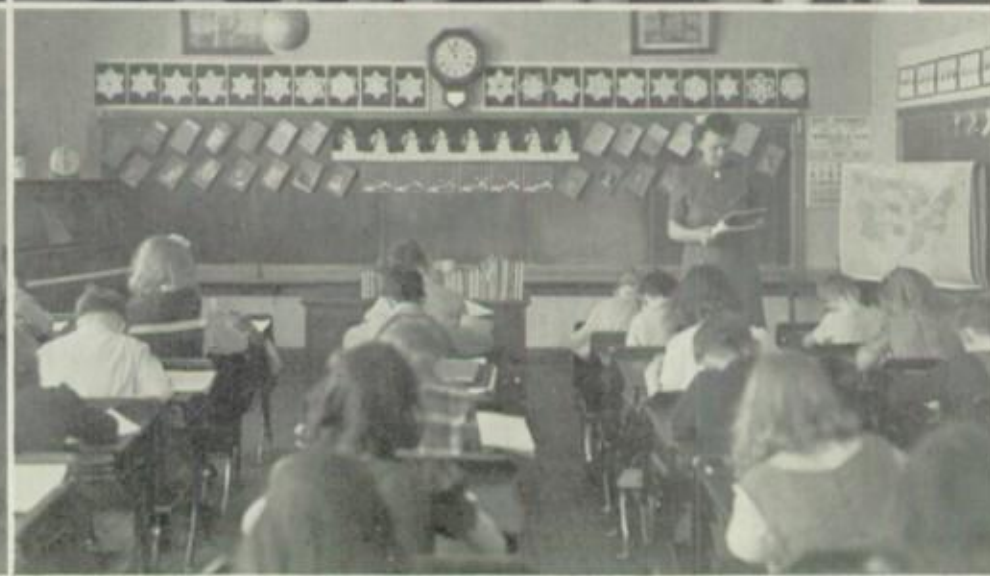

News of the school was published every two weeks in the mimeographed paper, Hi-Lights. It was very well edited and it had a circulation of 100. A new Club, the Hi-Y, was organized for next year. Another new organization was the Honor Society which includes all who take Scholarship Tests.

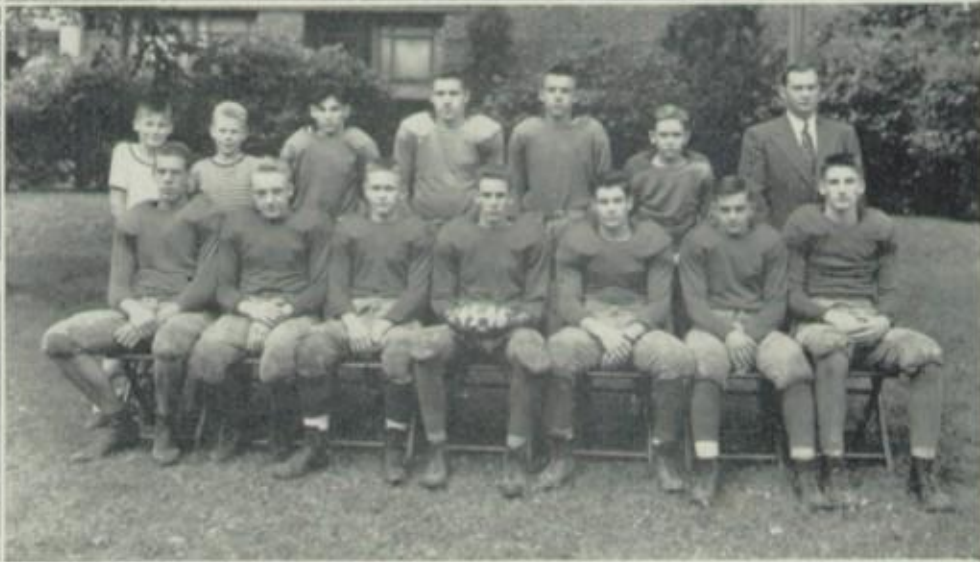

WATT

Teachers this year included the following new teachers: Mrs. Hendrick, faculty advisor, Mrs. Ethel Knight, Second Grade; Mrs. Kathleen Knight, Fifth Grade; Mrs. Millhone, Seventh Grade; Miss Wood, Music Teacher. Five teachers returned this year from last year.

Unity of purpose was very pronounced this year. School spirit was manifested by attendance at all the athletic events.

High School

Football

ON SEPTEMBER 3, 1946, 161 students enrolled at Mantua Village for the school year. Newcomers to the faculty include Mr. Richard Kirker, principal, Miss Mary Marvin, Mrs. James Davis, and Rev. P. F. C. Schnizler. Mr. Charles Werden was hired at the conclusion of the semester to fill the place of Coach Stockwell who resigned.

Football season followed with Mantua winning the County 6-man championship. Although our basketball boys did not do as well as they did earlier in football, we were just as proud of them.

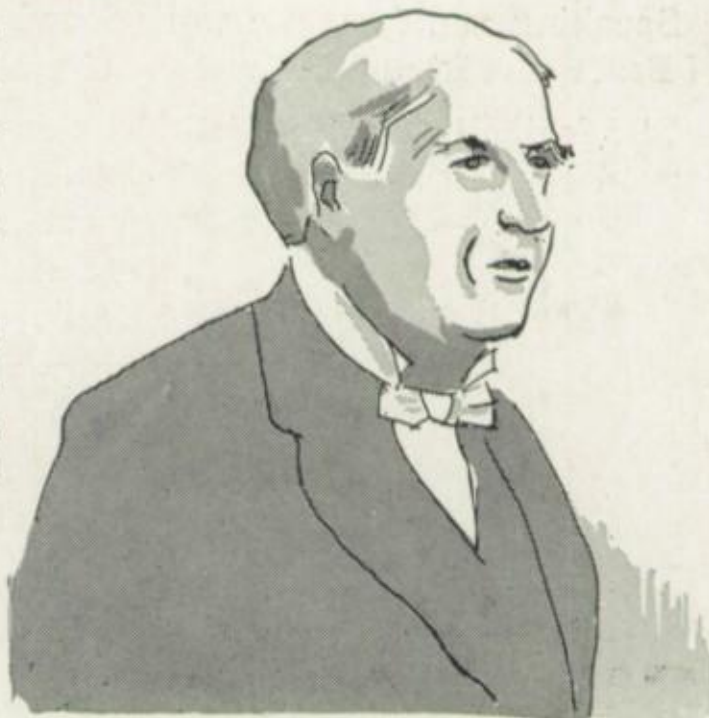

G. A. A.

Chorus

The Senior Class made a hit when they staged "The Meddlesome Maid" and in April they presented another one, the proceeds of which were used to carry them to Washington on May 13.

April and May were filled with activities as usual, and the final chapter of the school year was written when six seniors received their diplomas.

NELSON School, under the superintendentship of George Converse, added Mrs. Jane Martin of Garrettsville to its former grade school faculty members, Mrs. Thelma Hurd, Mrs. Alma Davidson and Mrs. Leona Anderla. Mr. Converse, Mrs. Elvene Rinear and Mrs. Margaretta Vacin formed the High School teaching staff.

New courses this year included Public Speaking, Journalism and Shop Work. The former sponsored the Nelson Aptic, the new school paper.

Speaking and dramatic work found expression in entries in the Prince of Peace contest and in two one-act plays, Elmer and Quiet Home Wedding.

The football team initiated Nelson's new football field. Although handicapped by several accidents, Nelson had a reasonably successful basketball season. Attractive cheerleaders this season were Helen Gill, Eleanor Ely and Jeanette Shrock.

With Mr. Mark Poole as accompanist, the Girls Glee Club and Sextet will conclude a successful season as they provide music for the Baccalaureate and Commencement exercises.

PALMYRA School opened this fall with a new principal, Mr. L. F. Reeves of Warren. Other additions to the teaching staff were Mr. A. B. Hurd, Miss Margaret Irvin, and Dean Benedict, who came at mid-year taking the place of Miss Kyle.

School events include class parties and dances, and two plays presented by the Junior and Senior classes.

Athletic activities included fall baseball, six-man football, basketball, track and spring baseball. The Seventh and Eighth grades under the efficient direction of our new coach, Dean Benedict, won a basketball trophy, the only one which Palmyra has won.

HOW CAN you describe the events of school except to list parties, dances, tests, PTA, and recitations? What else is there to mention but immunization, assignments, sweet harmonies, hot dogs, and photographs? How could schools be anything but class arguments, penants bought, games won, and paper on the floor? What could be said other than to introduce the fine Hi-W, NEOTA, State tests, and visits to the Bookmobile? What would happen if we failed to include the senior play, the return of veterans, snow storms, and influenza epidemics? What could be of interest to any pupil other than the "Pariscope," the Harvest Queen, and tasty lunches?

What is more descriptive of modern schools than a parade of movies, noon games, bus inspections, scrap drives, and cheerleader try-outs?

Don't all schools show scholastic endeavor with fancy cakes, noisy typewriters, lawn chairs, chalky boards, art work, and grammatical construction?

Girl Reserves

SCHOOL opened September fourth with everyone still jubilant over the news that the war has ended. Four years of school in war time had necessitated many changes in school policies, the curriculum, and in general had brought about a drastic change in the whole school program.

Six new teachers joined our ranks: Mrs. Wilhite, Mrs. Darnell, and Miss Slike in the grades; Mrs. Sayre, Mr. Brockmeir, and Mr. Riemenschneider in the high school.

The Junior Class Carnival, crowning the queen at the homecoming dance, and the Senior play high-lighted the Fall activities.

Having been without a music teacher the first semester we felt very fortunate in getting Mr. Rusch, a returned veteran, to fill this vacancy.

In an honor assembly the whole school generously showered "the basketball champs" with words of praise. The merchants honored the boys with a banquet and a baseball game in Cleveland.

The last part of the year was given over largely to the Junior play and Senior activities.

Safety Patrol

THE SCHOOL year started with hammering and buzzing! Reason? The construction gang was working on our new addition to the building.

The first post-war year of school was marked with the revival of the school paper called the Ravenette. It is under the direction of Mrs. Blackburn and Miss Rongone. The paper has been a huge success and the profits have bought a ditto machine.

Also for the first time in three years, the school band under the direction of Mr. Butler gave two performances at our football games.

Under the guidance of James Whittaker, we had a spectacular football season. We are the undisputed champs of the county, and have placed six men on the All County Team. The team was honored by the Girl Reserves with a banquet.

Among the social events of the year was the Girl Reserve formal, held at the Masonic Temple and the Junior and Senior classes each presented a class play.

ROOTSTOWN

FACULTY

BASKETBALL

SEPTEMBER —

Dear Diary:

School has started. New faces appear among the faculty and student body.

October — For the first time in two years the boys have shop classes. Excellent projects are under way.

November — We held a magazine drive to buy bleachers for the gymnasium. The football season ends with five wins and three defeats. Appreciation is shown the team by the Girl Reserves. They held a banquet, a climax for the season.

December — An air of expectancy. Everyone is on his good behaviour. The Christmas program is great fun. The tots sing Christmas Carols and speak pieces. Seventy-five members of the high school chorus give a Cantata. It is a great success.

January — Happy New year! Back to school again after vacation. The best Christmas present of all is the bleachers. They come in time for our last basketball games.

February — We are proud of our basketball team. They win a county trophy. The Girl Reserve Valentine party is fun for all.

March — The Juniors stage their long postponed play. The name "A Case of Spring Time," is certainly appropriate for the season of year.

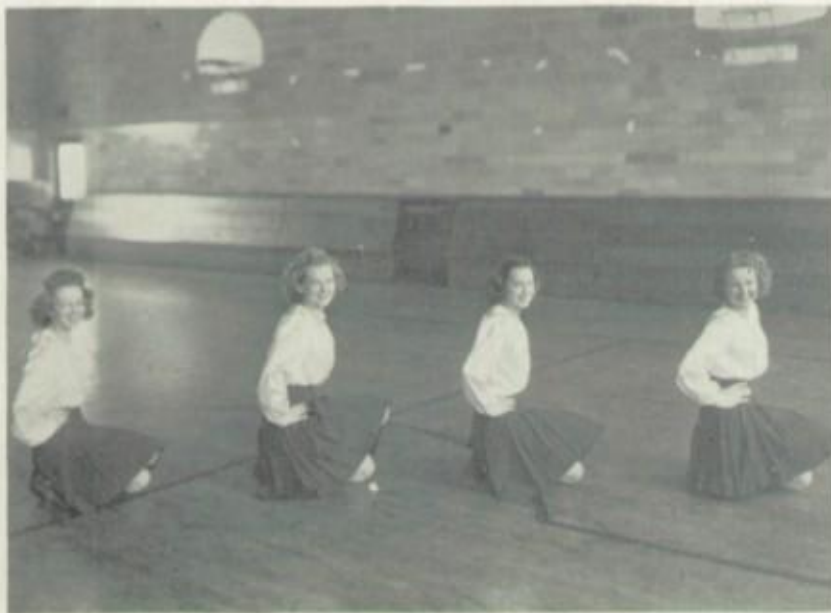

April — The Junior-Senior Prom is well attended and a gala affair. Our Spring Concert is presented by the music and speech department.

May — The Senior play, "My Mother-In-Law, the Mother-Daughter banquet, Graduation, and the Senior trip provide a proper climax for the year.

SEPTEMBER — Here we are again getting acquainted with five new teachers: Mrs. Keller, Mrs. Smith, Mrs. Gick, Mrs. Jennings, and Mr. Wolfe.

October — Started a successful year at football along with a swell coach, Mr. Wolfe. A week was taken off for harvesting the crops. A magazine drive was made. The annual Harvest Queen was elected.

November — Ended a successful year in football winning seven and losing one. Seniors went to Massillon for pictures. Senior play was given "Aaron Slick from Pumpkin Creek." Varsity Dance was held.

December — The month was quite upset by the flu, otherwise the month was celebrated very happily during the Christmas vacation.

January — The Girl Reserve Formal dance was held. The "Great Fontaine" was here for a program at the P. T. A.

February — Intramural basketball was taken up in the high school. This teaches the students to work together and to learn coordination. The annual Basketball Queen was elected and crowned.

March — Spring football was started. Senior Scholarships.

April — Junior play was given, "YOUTH COMES TRIPPING." Scholarship exams.

May — The annual Junior-Senior prom was given. The happy Seniors received their diplomas. The Seniors went to Detroit on the annual trip.

Senior Class motto: "A winner never quits, and a quitter never wins."

Good luck to the Seniors and may the Juniors do as well.

STREETSBORO School opened September 5th, with new plans, new hopes, and a new principal.

We had a fairly successful fall baseball season.

Basketball season opened with a bang. For the North League we won seven and lost two, finishing second in the league.

The school lunch was started by the P. T. A. in the fall, and hard work has made it a success.

The Junior play was very successful, and our operetta under the instruction of Miss Habinc paid for the purchase of a public address system.

Our intramural basketball tournament was won by the Sophomores.

The manual training class has completed an unusual number of good pieces of furniture.

There has been talk of the possibility of having a football team at Streetsboro. Here's hoping that our dream will come true.

We have had a lot of swell movies this year, thanks to our movie operator, Frank Hirt.

Classes

SUFFIELD has had a busy and successful year. We have been rather fortunate in sports, having attained third place in the county in both football and basketball.

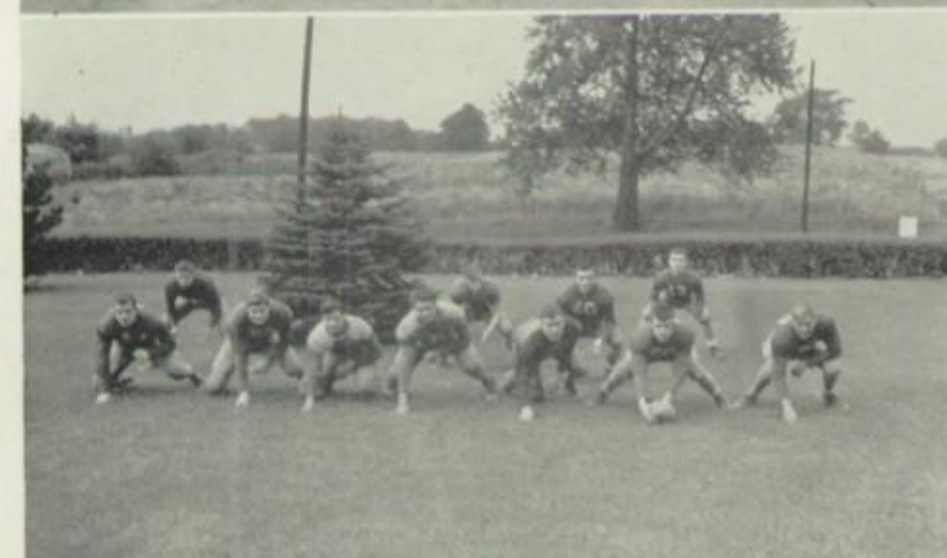

Many pleasant social events have left happy memories. The Homecoming Dance at which the queen was crowned, the dances for the student body sponsored by each class, and the semi-monthly dance given by the P. T. A. and enjoyed by both parents and students are memorable. The Junior and Senior plays, the minstrel show, and the ninth annual F. F. A. Fair were also highlights of the year.

We have tried to function as good citizens. As usual we have issued our paper "The Spotlight" and have sent copies to our servicemen. The National Honor Society has sold stamps and bonds. Students have co-operated well in collecting clothing for the needy overseas.

Suffield is planning both external and internal improvements in the near and far future. May all our dreams for an improved school and better citizens come true.
